

## LH BALANCE ION PROTECT PILLOW

The **LH BALANCE ION PROTECT** pillow is a high quality pillow, highly breathable and has the ability to eliminate odours , fight electromagnetic radiation thanks to the tourmaline that it is made of, and has fabric with Antibacterial treatment and Virucide by iSys AG and BACTERSHIELD finishes and, as if it were not enough, has black tourmaline, so it is a barrier to electromagnetic pollution.

- It is made with viscoelastic antibacterial carbon, is very soft and pleasant to sleep and rest, and repels bad odours.
- The viscoelastic pillow reacts to body temperature, adapting to the exact shape of the neck and head, relieving pressure on the neck and back at the points of contact with the pillow and promoting an anatomically correct position.
- THE **LH BALANCE ION PROTECT PILLOW** will help you get rid of unnecessary pressure and is totally ergonomic. The viscoelastic extends the life of the pillow and protects your rest.

### TECHNICAL FABRIC WITH ION NANOPARTICLES WITH ANTI-BACTERIAL TREATMENT, VIRUCIDE AND BLACK TOURMALINE

The **LH BALANCE ION PROTECT PILLOW** has a special fabric with an exclusive Anion treatment, so you can enjoy the benefits of negative ions while you rest.

The positive properties of silver technology can be transferred to the fabrics used in the PILLOWS by finishing with iSys AG. The application of iSys AG is universal.

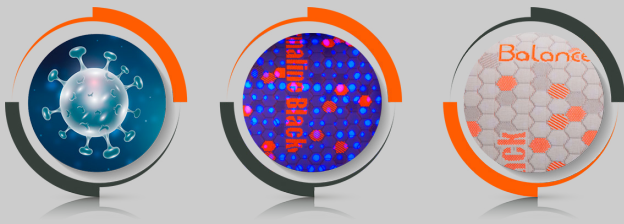

### The advantages of iSys AG at a glance

- Greater comfort of use due to the pleasant sensation of freshness
- The proliferation of microscopic particles and bacteria is reduced
- "Approved by bluesign<sup>®</sup>"

BACTERSHIELD finished fabrics give a fresh and smooth finish, based on silver technology.

#### Bactershield Properties:

- Fabric with treatment that reduces bacteria
- Comfort and softness
- Freshness and cleanliness
- Ecological certificate
- Based on silver technology

## Balance ION Protect

Balance ION Protect is a protection based on a synergistic mechanism with double action, on the one hand, minerals that emit ultra-low energy and, on the other hand, ceramic that catalyses the generation of negative ions beneficial for your day to day life.

- Avoids the accumulation of undesirable elements
- Reduces fatigue
- Relieves muscle discomfort
- Helps balance

## ADVANTAGES OF BLACK TOURMALINE

Able to help us in:

- Protection from electromagnetic radiation.
- Harmonise your body.
- Neutralise the burdens of lack of rest
