

LH JADE BACK MASSAGE

At **Lufthous®** we faithfully work with a policy of commitment to each of the products we develop. We believe that by using the best technology and carrying out the appropriate research, we can give you the possibility to enjoy in your home features that a priori seem unattainable.

LH BACK MASSAGE JADE is a state-of-the-art professional massage support that will allow you to rest your body and mind after a hard day of pressure or physical wear.

Its operation is very simple. Simulating the famous shiatsu technique, it gives you a pleasant and comforting sensation in the massaged areas.

Moreover, as it is a portable backrest, it will allow you to use it anywhere in the house as a bed, sofa, recliner, chair, or even in the office chair.

Moreover, thanks to its remote control, its operation is very comfortable and intuitive. You can access the different modes and massage times without any complexity.

It is important to note that this device is fully recommended for all types of adult people. The most important are those who do exercise or sport activities in their daily lives.

It helps to rest and decrease muscle discomfort with the latest **Lufthous®** technologies.

We innovate to bring to your home what you need most.

OPERATION AND KEY FEATURES

Full back shiatsu massage: Thanks to its head system you will enjoy an experience similar to a finger pressure massage; deeper to help relieve muscle tightness and stiffness.

Far infrared: It gives you a constant temperature to provide a comforting feeling and help relieve stiffness, muscle discomfort.

Flexible massage nodes in zone: They act on the entire back, resting and comforting the muscles in the area where the massage is applied.

Heat and vibration technique: Different levels to adjust the massage to your preferences and needs
