

## LUFTHOUS MAX OZONE

### THE BEST TOOL CREATED BY NATURE

Ozone is nature's best tool to clean up the environment.

In nature it is often created by means of electrical storms, in fact, that fresh, clean smell of spring rain is the result of the creation of ozone by nature.

Thanks to human ingenuity, we can now have nature's best tool in our homes, OZONE.

This device boasts the greatest advances in engineering and has an 8-stage filter capable of filtering particles up to 1 micron, including aerosols, bacteria, germs, viruses....

In addition to pollen, dust, mites and others that are very harmful to the respiratory tract.

Energy in the air? Ozone Max also sends negative ions into the air, which, contrary to what the name implies, have a very positive effect on our bodies.

It helps us to: relax more easily, eliminate anxiety, suffer fewer allergies, have better memory, improved physical performance....

In short, having a Lufthous Max Ozone Device is the best investment for you and your entire family.

### MORE INFORMATION

#### Configuration

- **Product measurements** 320 \* 199 \* 645 mm.
- **Weight:** 7.9kg
- **Voltage:** 220-240 V/50 Hz or 100-120 V/60 Hz.
- **Input power:** 80W
- **Ozone Output:** 600 mg/h
- **Negative ion output:** 8 \* 10<sup>6</sup> pcs/cm<sup>3</sup>
- **Area of effect:** 200 m<sup>2</sup>

- **Colour:** White
- **Materials:** ABS
- **UV lamp power:** 5W.
- **HEPA FILTER**, activated carbon network.

### OZONE GENERATOR (O3):

Ozone, sometimes called "activated oxygen", is nature's best tool to clean up the environment.

Lufthous creates an innovative tool for home with negative anions that automatically purify the air around us, safely producing a "cleansing effect" that is beneficial for our bodies.

### Functions of the Lufthous O3 Ozone Generator:

- Thoroughly clean the air inside your home and keep it free from dust, pollen, lint, harmful gases such as adhesives and toxic particles.
- Eliminates odours from tobacco, smoke, food odours and prevents electrostatics.
- Removes bacteria, germs, viruses and any particles that encourage their spread.
- Increases the oxygen content of the room and generates very healthy negative ions to improve indoor air quality and provide fresher and cleaner air.
- Display of the working status of the air volume, temperature and humidity control. The LCD touch screen displays the status of air quality.

### Properties of the Lufthous O3 Ozone Generator:

- Anti-infectious
- Antiviral
- Antitoxic
- Antiparasitic
- Anti-inflammatory

### ADVANTAGES OF OZONE:

- It is the world's most powerful ecological disinfectant.
- Disinfects, causing the elimination of viruses, bacteria, fungi, algae and protozoa.
- Eliminates all types of odours in the environment and water colours.
- It increases the clarity of the water and filter performance.
- It is the most efficient treatment.
- It is a natural compound that can not be stored or transported so it must occur at the site of application by generators.
- Purifies the environment.

### BENEFITS:

- Enrichment of the environment.
- Deodorization
- Asepsis
- Increased working efficiency.
- Better food preservation.
- Relax more easily.
- It helps eliminate stress and anxiety.
- Suffer fewer allergies.
- Our mind is clearer.
- Better functioning of the digestive system.
- Better functioning of the respiratory system.
- Greater physical and mental performance
